Dear Parent,

According to the Illinois General Assembly's Joint Committee on Administrative Rules dated October 24, 2005, all children in kindergarten, second grade and sixth grade must show proof of a dental examination. The grade level was determined by the development and eruption of the 6 year molars. This also gives the dentist the opportunity to apply dental sealants to these teeth to help prevent future cavities. The dental examination form is attached to this letter.

In order to comply with this requirement, parents must show proof of examination by a licensed dentist prior to **May 15, 2018**. The examination must have been completed within 18 months prior to the May 15<sup>th</sup> deadline.

If you have any questions please call me at (630) 529-1883.

Thank you,

Susan Hauschildt RN PEL-CSN  
Roselle School District 12 School Nurse
